

RECEPTION - SPRING TERM 2025

Overview of term

Welcome back! I hope you have all had a lovely Christmas break. The children have been telling me about all the lovely times they had at home, visiting family and of course their visit from Santa. This term is focused around the big question- **'I wonder where the journey will take us?'**. In this topic we will be looking at different modes of transport and having lots of fun using our constructing skill to create our own moving vehicles.

PE

We do sensory circuits every morning after the register, to get us ready for a day of learning. We also do PE on Wednesday afternoons. Please make sure your child can put on and take off their own shoes and are wearing comfortable clothing like leggings or joggers.

Home learning

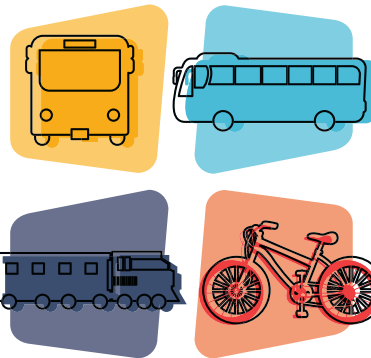

If your child has a colour banded reading book, please read daily- little and often works best. If your child doesn't have a banded book please use lilac level on Bug club and continue to practice blending the words sent home.

key skills

Please ensure you are teaching your child to be independent. Practice recognising and writing their names. Practice putting on and taking off school jumpers and coats, including zipping up coats and buttoning.
